

DB Cargo (UK) Ltd Location List for Access & Ancillary Services

For further details regarding our locations and confirmation of facilities available at each location please email our Facilities Access Manager: DBCUK.Accessrequest@deutschebahn.com

To request access to DB Cargo locations and rail related services within these locations please complete [DB Cargo UK Access & Facilities Request Form](#) . For information relating to charges for rail service facility access please refer to: [DB Cargo UK Access Rates](#)

For access to manned locations outside of the stated opening hours, such access will be considered upon request. Additional staff may be arranged to meet a specific need for which extra charges would apply or by permitting "self-supply". For manned and unmanned locations all access will be in accordance with the Safe System of Work (SSoW), for self-supply locations these may need to be re-written to accommodate

The processes for requesting access to DB Cargo rail service facilities and deadlines for handling such requests are in accordance with the *Rail Freight Industry Code of Practice*
