Notes:	
General	Service Facilities listed are rail-connected and available for use, but may require work to make them fit for the specific purpose envisaged. Details of site capabilities, plans and relevant restrictions are available on request.
1	Self-service available at this site.
2	DB Cargo staff attend as required, subject to availability. "Self-service" not permitted.
3	Staff are provided to undertake Terminal activity. Self-service for groundstaff duties is permitted.
4	Aggregate handling facilities provided by rail customer - details available on request.
5	Access times and notice period constrained by opening hours of the Network Rail branch line. Details available on request.
6	Service Facility expected to become available for use in May 2021.
7	Service Facility expected to transfer to another operator in June 2021.
8	Service Facility subject to redevelopment - details and availability on request.
9	Accessed via Walsall Midland Yard.
10	Short lengths of track providing access between Network Rail and Harry Needle Railroad Company infrastructure.
11	Accessed via Northern Trains depot.
12	Details available on request.

Site List Headings	
DB Cargo Site Reference	Property reference for internal use.
Location Name	Generally accepted site name as referenced in operating publications, for example.
Primary Function	Principle site use - see explanation of categories. Sites may have additional uses, please ask.
Address	Postal address for site, including postcode.
Ordnance Survey Grid Reference	Standard Ordnance Survey grid reference.
What Three Words	Gives location of site entrance from the highway.
No. of Sidings	Number of sidings within site - not all may be operational currently, or available due to other traffic requirements.
Min/Max Siding Length (metres)	Indicates potential train length which could be accommodated, subject to availability and other factors.
Staffed / Unstaffed	Availability of on-site PIC and/or Groundstaff or other personnel.
Opening Hours / Availability	Specific availability if site not open continuously.
Fuel Point Available	Yes / No. Self-service not permitted.
Other LMD Services	Yes / No. Self-service not permitted.
Stabling Possible	Yes / No - not all sites have capacity due to physical constraints or operational congestion.
Notes	See tab for details.

Primary Functions	
Marshalling Yard	Train formation yards which can encompass comprehensive shunting operations.
Sectioning Sidings	Limited ability to re-form train services, usually limited to splitting or joining portions.
Recess Sidings	Provided to allow train services to await a forward path on the main line.
Turnback Facility	Sidings provided to allow services to be run-round to change direction of travel.
TMD / WRD	A Light Maintenance Depot providing various LMD services.
Freight Terminal	Site which permits the loading or unloading of rail services. Some handling facilities may be provided by third parties.
Exchange Sidings	Provide access to adjoining facilities.
Stabling Sidings	Used for stabling of "in service" vehicles, or longer-term storage.
Network VQ	Used in connection with the maintenance and renewal of the Network Rail network.
